Dear Editor,

I/We wish to Re-submit a review article entitled “ANALYSIS OF THE FOREIGN DIRECT INVESTMENT IN IRAQ VIS-À-VIS THE UAE: NEED FOR A REVIEW” for consideration by your journal.

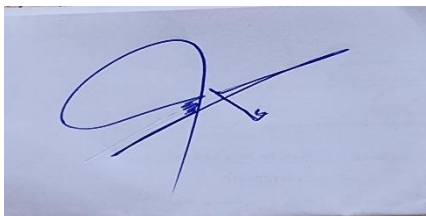

This is our first submission for consideration. The essence of the article is to highlight the impracticability of the current FDI regime in Iraq while exposing successes made so far in a fellow Arab country – the UAE for Iraq to learn and adopt some of the existing policies and regulations for a more robust FDI in Iraq. I/We confirm that this work is original and has not been published elsewhere, nor is it currently under consideration for publication elsewhere. It is a review on the importance of a comprehensive legal framework to achieve urban real estate sustainability.

We have no conflicts of interest to disclose.

Please kindly address all correspondence concerning this manuscript to me at p117756@siswa.ukm.edu.my.

Thank you for your consideration of this manuscript.

Yours sincerely,
